Knowledge & Learning Mechanism
on Biodiversity & Ecosystem Services

WP5 → Short term requests...

How to deal
with questions
that arise
“suddenly” and
need quick
answers?

1. Ask the internet search engine of your choice (well...)
2. Look it up in a specific repository, e.g. BISE
3. Ask “your personal scientist” (or in-house service)

**OR – find a way to ask a community...
the networks of networks...**

EU Mechanism Function

Answer key questions from policy and/or society by mobilising and synthesising the best available knowledge and experts.

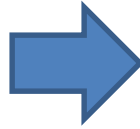

EKLIPSE

Knowledge & Learning Mechanism
on Biodiversity & Ecosystem Services

Short term requests...
... in the broader context

A quick questions
from a decision-
maker...

Check existing
sources/ repositories
– e.g, BISE

Ask a community –
e.g, via AskOPPLA

No answer/ synthesis
– task for Mechanism
to conduct synthesis

EKLIPSE

Knowledge & Learning Mechanism
on Biodiversity & Ecosystem Services

No sufficient knowledge
– task for Mechanism
to identify research needs
